early christianity in the context of roman society raises important questions for historians sociologists of religion and theologians alike this work explores the differing perspectives arising from a changing social and academic culture key issues concerning early christianity are addressed such as how early christian accounts of pagans jews and heretics can be challenged and the degree to which christian groups offered support to their members and to those in need the work examines how non christians reacted to the spectacle of martyrdom and to christian reverence for relics questions are also raised about why some christians encouraged others to abandon wealth status and gender roles for extreme ascetic lifestyles and about whether christian preachers trained in classical culture offered moral education to all or only to the social elite the interdisciplinary and thematic approach offers the student of early christianity a comprehensive treatment of its role and influence in roman society

considered an expert about the book of enoch dr randy delp has put together an analysis of this ancient book to explain why jesus and the new testament writers were not only influenced by the book of enoch they quoted its contents cited its texts and labeled it scripture the teachings of enoch have influenced every major monotheistic religion including islam judaism christianity and zoroastrianism and vestiges can be found in hinduism and other ancient religions the footprints of his teachings are seen throughout every generation and the finality of his message has yet to be fulfilled enochs influence in astronomy history religion education and para psychology has forged how society thinks today it is significant to note that the prophet named enoch who was born seven generations after adam and eve may be the only person in history who has had a positive effect on every major and minor religion while nothing negative is ever spoken about him

this new edition of teach yourself christianity explores the impact of christianity on current world affairs and the questions surrounding its continuing effect key topics discussed include the teaching and influence of jesus the christian experience of god movements within the church christian faith in a scientific age and christianity s artistic medical architectural and literary inheritance the book stimulates reflection on christianity both for practicing christians and for general readers who want to learn more about this worldwide faith

this brief introduction to christianity is designed to help readers understand this important religious tradition with both nuance and balance this text provides broad coverage of various forms of christianity with an arresting layout with rich colors it offers both historical overviews and modern perspectives on christian beliefs and practices the user friendly content is enhanced by

charts of religious festivals historic timelines updated maps and a useful glossary it is ideal for courses on christianity and will be a useful concise reference for all readers eager to know more about this important religious tradition and its place in our contemporary world

the third edition of christianity through the centuries brings the reader up to date by discussing events and developments in the church into the 1990s this edition has been redesigned with new typography and greatly improved graphics to increase clarity accessibility and usefulness new chapters examine recent trends and developments expanding the last section from 2 chapters to 5 new photos over 100 photos in all more than twice the number in the previous edition single column format for greater readability and a contemporary look improved maps 21 and charts 39 building on the features that have made christianity through the centuries an indispensable text the author not only explains the development of doctrines movements and institutions but also gives attention to the impact of christianity on its times and to the mark of the times on christianity

a primer on christianity its scriptures history beliefs practices and uniqueness and some helpful guidelines for christian living in today s world john schwarz s book what s christianity all about offers a good overview of the bible it also provides a brief sketch of the history of christianity sets forth important christian beliefs suggests ways for christians to deepen their faith and last offers some guidelines for christian living for those serious about christianity and the desire to understand it better this book is a good place to begin n t tom wright research professor of new testament and early christianity university of saint andrews scotland what s christianity all about is a much needed book that provides information to whet readers appetites it also opens wide the doors to help us see and imagine the future into which the triune god is calling us even now sarah s henrich professor of new testament luther seminary what s christianity all about is a both a guidebook for inquirers and beginners and a refresher course for the casual it contains brief surveys of the christian bible christian beliefs christian history christian living and christianity alongside other faiths brisk exact and user friendly it merits a very wide ministry and will bring clarity of focus wherever it goes j i packer board of governors professor of theology regent college john schwarz writes as a layman and he writes so that laypersons can understand however what he writes shows the result of serious biblical scholarship this is a good read for those who want to know what the bible is all about and jesus relevance to the modern world tony campolo professor emeritus eastern university john schwarz is a careful thinker a lover of the faith an equipper of the church he has devoted himself to making an understanding of christian scripture and thoughts available on a broad scale i am grateful for his work john ortberg senior pastor menlo park presbyterian church the most appropriate description that i can

think of for john schwarz s book is multum in parvo that is a great deal in a small space for here we are given a succinct summary of the contents of the bible a brief history of christianity an introduction to other religions together with outlines of both christian belief and behavior john schwarz has succeeded in giving us a mine of information some skillful overviews and in areas of controversy a fair statement of the different options john r w stott former rector emeritus all souls church london what s christianity all about is an excellent road map for those starting out on the christian journey it is a good primer on the bible one that paints a picture of the big story of god at work in the world and shows how the different parts of the bible fit together i warmly recommend it to those who want to understand what it means to be a follower of christ leighton ford president leighton ford ministries what s christianity all about by john schwarz combines an encyclopedic breadth of information and insights and materials not usually found in overviews and surveys of the bible with an easy to read style i can think of no other introduction intended for the lay reader that does the job as well patrick r keifert president church innovations institute john schwarz is a cpa and lawyer who spent his working life in the corporate business world he took early retirement and went to seminary and then africa as a missionary his handbook of the christian faith on which this book is partially based has been translated into several foreign languages

the essays in this book take a fresh look at the biblical data and address the contemporary questions raised by religious pluralism the reader will gain a greater understanding of different religions and gain an increased confidence in the majesty and greatness of the one true god

christianity from the eyes of a child is an unbiased thirty years outlook on christianity while answering the eternal question of the purpose of life even in these contemporary times man still continues to seek the truths of faith and the completeness of the heart and soul to help everyone in this quest author floy fenelon brings forth an enlightening and comprehensive read that allows each one of his readers to understand the christian view of the purpose of creation even as a child and teenager fenelon refused to accept the status quo and dared to continue his pursuit of asking the eternal question that every child has once asked and most adults forget it exists what is the purpose of life why are we on this earth where is this all going in this book fenelon restores the biblical definition of christianity and helps guide every reader to his or her purpose in creation

edward gibbon 1737 1794 personifies the calm and dignified rationalism of the 18th century he became world famous as the author of the decline and fall of the roman empire a multi volume work describing almost 1300 years of history in some of the

finest english prose ever written the present volume is taken from volume one and focuses entirely on the early christian church gibbon does not mince words he likes the religious toleration that prevailed in the roman empire prior to christianity and describes it in his characteristically witty way the various modes of worship which prevailed in the roman world were all considered by the people as equally true by the philosopher as equally false and by the magistrate as equally useful he further outraged orthodox believers of his time by saying that his entire work described the triumph of barbarism and religion axios press s essence of series takes the greatest works ever written in the field of practical philosophy and pares them down to their essence we select the best passages the ones that are immediately relevant to us today full of timeless wisdom and advice about the world and how best to live our lives and leave behind the more obscure or less important bits our selections are not isolated they flow together to create a seamless work that will capture your interest and attention from page one and we provide useful notes and a solid introduction to the work

draws clear connections between ancient mythology and the christian religion how is it that forms of pagan worship and various gods could be connected to a religion that on the surface seems to stand on its own spivey answers this question with page after page of word and language analysis exploring word origins and mythological belief systems showing how these words and beliefs were carried over and why he reveals a message or hidden code by early church fathers the worship of the sun fire light and of the heavens and stars had much to do with this message covers many greek and roman gods with an explanation of their meanings functions and relation to christianity warning may cause one to reexamine their own personal beliefs

now available in a fully revised and updated new edition this popular textbook by one of the worlds leading theologians offers a lively jargon free introduction to christianity features a wealth of new material on global christianity american christianity the orthodox church current theological debates and christianity in relation to other world religions includes enhanced and expanded student friendly features including numerous illustrations suggestions for further reading a glossary of christian terms and brief readings from primary christian sources written in an accessible and engaging style that assumes no prior knowledge of christian beliefs or practices making it an invaluable resource for beginners to the subject as well as those looking for a refresher incorporates coverage of catholicism orthodoxy protestantism evangelicalism and pentecostalism a glossary related websites and other resources from dr mcgrath are available online at [alistermcgrathwiley.com](http://alistermcgrathwiley.com)

an anthology of gandhi s writings that focus on his engagement with christianity and jesus enhanced by thoughtful responses from christian scholars and students of his teachings highlighting his contributions to interreligious dialogue

in this book dutch theologian herman bavinck 1854 1921 provides a historical sketch on the nature of christianity and the unifying power of christ he proceeds from unity to diversity on what the christian church agrees and the areas where it differs it is apologetic and evangelistic ecumenical and reformed and historical and theological in scope in this succinct book bavinck traces the history of christian doctrine and life distinguishing the east from the west and then focusing on the west through the reformation to the twentieth century both at the beginning and the end of the book he places before the reader what he deemed the most important religious and theological question of the day who is jesus it is no small task which dr bavinck has undertaken to tell in sixty two small pages all that christianity is and that in a series in which it is brought into comparison with other great religions he has fulfilled this task however in a most admirable manner his method is first to point out what all christians are agreed upon and then to give an historical account of christianity in its origins and its progressive manifestations in the great forms of the orthodox eastern the romish the lutheran reformed churches with further descriptions of the forms it has taken since in anabaptism and socinianism and the new protestantism rooted in the enlightenment his plan thus resolves itself into an informal sketch of the historical development of christianity this sketch is written with remarkable grasp of details and an equally remarkable power of synthesis we cannot imagine how the work could be done better b b warfield

a clear and frank exploration of the future of christianity and whether it needs to be saved we live in confusing times our society has shifted on its moral axis and many are asking whether christianity needs to be reinvented or even reimaged in order to save it with newsweek declaring the decline and fall of christian america on its cover and the daily beast questioning does christianity have a future bloggers and christian commentators are discussing whether we need a new of kind of christianity in saving christianity dr michael yousef explores this train of thought and its pitfalls he describes how similar discussions in christianity s recent past explored the very same question saving christianity will help you discern what is going on within the church while it reviews the essentials of the christian faith as described in the bible we dare not abandon this mere faith as dr yousef describes it because it is the light for all humanity and especially for those of us living in today s chaotic times after reading saving christianity you ll have a renewed confidence in the future of the church and the central place it will occupy for generations to come
